ABOUT US

## **Das Marketing Büro – Your Sales & Marketing Base for Technical B2B Companies**

For over 20 years, we have been helping technology-driven companies successfully market complex products and services. Acting as your external sales and marketing department, we develop targeted strategies, implement them hands-on, and generate visibility, qualified leads, and customer growth.

Based in the tri-border region of Germany–France–Switzerland (Offenburg/Strasbourg/Basel), we offer direct access to the DACH (Germany, Austria, Switzerland) markets and beyond. Our scalable representation model is designed for international companies seeking to expand into high-potential and profitable European regions.

### **Our areas of expertise:**

- Strategy & digital transformation
- Analytics & Acquisition
- Content Marketing & Storytelling
